

Intersection of Innovation

Grand Opening of Technology Square
October 23, 2003

“Georgia Tech will define the technological research university of the 21st century and educate the leaders of a technologically driven world.”

The Strategic Plan of Georgia Tech

What does that mean?

- ⇒ Become one of the world's great and truly international universities
- ⇒ Contribute to shaping the technology-based global economy
- ⇒ Build a campus that expresses our intent
- ⇒ Engage our neighbors to improve the quality of the community we share

Technology Square

- ⇒ A bricks-and-mortar expression of our intent
- ⇒ A tool to foster entrepreneurship and innovation
- ⇒ Georgia Tech's connection to the world

What does it do?

⇒ Rehabilitates an eyesore

⇒ Gives Georgia Tech its first true front entrance

⇒ Extends Georgia Tech into the Midtown business community

⇒ Creates a visible technology nexus

⇒ Houses state-of-the-art satellite and Internet technology
